I just confirmed with Mary that it is the letter we sent after the NON. The reason it's upsetting to them is because we were more direct than the NON by stating they are in violation of TSCA.

John,

As I understand it, there was some terse language in the NON that cause the agita.

Hi John,

Luis, Carol, Aquanetta and I were the LCD folks at the meeting. I'm cc'ing them so they can fill-in blanks or help answer questions.
